

YTC Visiting

1318.1 PURPOSE AND SCOPE

The visiting program will consist of visiting hours and days which are determined by each facility. The Procedure will also outline how to conduct and supervise regular and special visits, a virtual visitation program, and the proper management of electronic video devices used for virtual visits.

1318.2 POLICY

It is the policy of the San Diego County Probation Department to establish guidelines and procedures for incorporating a visiting schedule into the facility programs (Title 15 CCR 1374) in order to provide and allow youth to have regular visits with their families and legal guardians.
