

YTC Education Program Policy

1320.1 PURPOSE

To establish guidelines and procedures to support a wide range of educational services provided by the San Diego County of Education (SDCOE) designed to meet the needs of students of varying ages, levels, academic abilities and the educational requirements set by the State of California Education Code. The YTC school program operates on a year-round schedule and has established a general course of study designed to allow youths to resume their education (following release from their commitments), at their regular school. (Title 15 CCR 1370(a)) The procedures will also ensure the safety and security of youth, officers, and education staff during school.
