

PROCUREMENT FORECAST

December 2025

This forecast gives a heads-up on contracting opportunities the County of San Diego expects to post in the next six months. It's updated every three months and includes a wide range of goods and services. It's here to help businesses, nonprofits, and community partners plan ahead and get ready to participate.

If you see a contract number listed, you can look it up using the Contract Search Tool on the Purchasing and Contracting website to learn more about current services at sandiegocounty.gov/purchasing.

To see what's currently open for bidding, visit BuyNet at sdbuynet.sandiegocounty.gov.
