 - 2.6.2.3. It shall only contain supplemental information. In accordance with the California Public Records Act, the County will not treat pricing or any bid forms as confidential.
- 2.7. Bid Pricing
 - 2.7.1. Submit bid pricing on the included Exhibit C Payment Schedule. Bid using only the units of measure stated in the Payment Schedule and price each bid item clearly and separately (do not aggregate bid items nor provide more than one price or a range of prices per item).
 - 2.7.1.1. Pricing shall not exceed two (2) digits to the right of decimal point (hundredths). If unit pricing exceeds two (2) digits to the right of the decimal point, any digit(s) beyond two (2) will be dropped and will not be recognized by the County for the purposes of bid evaluation, contract award, or invoicing. The County will only use the first two digits after the decimal points without rounding up or down. If the County calculates a "new" unit price, said unit price will be in favor of the County and may be below the Contractor's original bid price. The "new" unit price shall

prevail over Contractor's original bid price and shall be used in evaluation of bids, award, and invoicing.

- 2.7.2. All prices and notations must be clearly legible and in ink or typewritten. No erasures permitted. Mistakes may be crossed out and corrected and must be initialed in ink by person signing the bid.
- 2.7.3. Submitted bid prices must be balanced (reflecting the true relative costs of the bid items), and not shift costs from one portion of the work to another portion of the work so as to place doubt on whether the bid will result in the lowest overall cost to the County or be tantamount to allowing an advance payment.
- 2.7.4. Unless otherwise specified, all prices shall be F.O.B. destination.
- 2.7.5. Prices shall include all freight and/or delivery charges, unless freight or delivery charges are separately itemized or otherwise allowed for in the Payment Schedule.
- 2.7.6. Unless otherwise specified, prices bid herein should NOT include California sales/use tax or Federal excise tax. The County generally is required to pay California sales/use tax, and it should be shown as a separate item on invoices. The County is exempt from payment of Federal excise tax. It must NOT be included in invoices.
- 2.7.7. Do not include prompt payment discounts into your bid prices. Prompt payment discounts will not be considered in evaluation of bids to determine low bidder.
- 2.7.8. Prices shall be fixed during the performance of the Agreement and not subject to adjustment except as explicitly set forth in the Agreement. Bidder accepts the risk of any changes to bidder's costs during the term of the Agreement.
- 2.7.9. Estimated quantities may be included in the Payment Schedule, and are provided solely for evaluation of bids. They represent approximate anticipated use based on historical consumption or other estimates. If the County's actual requirements do not result in orders in the quantities described as estimated in the Payment Schedule, that fact shall not entitle the successful bidder(s) to price adjustment or other relief.
- 2.8. All bids become the property of the County. An Offeror may request the return of its bid upon withdrawal as specified in Paragraph 6, which return County may grant or deny in its sole discretion.
- 2.9. County has the right to withhold all information regarding this procurement (other than information disclosed through public bid opening) until after contract award, including, but not limited to, the County pre-award survey and results. Information releasable after award is subject to the disclosure requirements of the Public Records Act, California Government Code Section 6250 and following.

3. EVALUATION AND SELECTION

- 3.1. Award will be made to the lowest priced responsive bid(s) from a responsible bidder(s). The determination of lowest price shall include the application of the local preference, when applicable.
 - 3.1.1. Award may be based on total bid amount, distinct lots, or individual items ("Basis of Award").
 - 3.1.2. When determining lowest price for award, the County will not consider prompt payment discounts.
 - 3.1.3. In the event of a conflict between unit price bid and bidder's extended price, the unit price will prevail unless the conflict is a result of a Mistake in Bid. In that event, the bid will be rejected as non-responsive.
 - 3.1.4. In the event of a tie bid between responsible bidders, award will be by random selection through a process determined by County and observable by the bidders involved in the tie. Should one or more of the bidders involved in the tie be a Preferred Vendor, award will be made as described in 3.3 below.
- 3.2. The County reserves the right to perform a pre-award survey to determine whether a bidder is responsible (possessing the attributes of trustworthiness, quality, fitness, capacity, and experience to satisfactorily perform the contract) and whether a bid is responsive (conforming with material bid requirements).
 - 3.2.1. As part of the pre-award survey, The County reserves the right to request clarification of and/or additional information ("Clarification") from Offerors.
 - 3.2.2. The Contracting Officer will determine the appropriate means of Clarification. The County is not obligated to seek Clarification, so Offerors are advised to submit complete and accurate information in the bid.
 - 3.2.3. The request for Clarification is not an opportunity for a bidder to modify their bid, but only to provide additional information requested by the County to support the pre-award survey.
 - 3.2.4. The County may request that samples be provided as part of the bid process, including with the bid submission, when evaluating proposed equal items, or during the pre-award survey. Samples must be furnished free of expense to the County, prominently marked with the RFB number, and delivered to the location specified by the County. Upon request and where feasible, samples will be returned to bidder at bidder's expense and risk when County review is complete.

COUNTY OF SAN DIEGO - REQUEST FOR BIDS (RFB) 12200

DEPARTMENT OF GENERAL SERVICES

AS NEEDED VEHICLE AND EQUIPMENT TIRE SUPPLIES, AND SERVICES

- 3.2.5. Failure to timely provide requested information or samples may result in a finding of non-responsiveness or non-responsibility based on the information available to the County.
- 3.2.6. The County may consider information known to the County in addition to the information provided in response to the RFB.
- 3.2.7. The County has the discretion to treat each lot or line item separately for purposes of evaluation, in accordance with the Basis of Award.
- 3.2.8. The County has the discretion, but not the obligation, to waive any minor irregularities or deviations from the requirements of the RFB. The County reserves the right to waive a variation in specification if County determines such variation does not materially change performance.
- 3.2.9. The County's determination of responsibility or responsiveness shall be conclusive.
- 3.3. Local preference: In accordance with Section 405 of the San Diego County Code of Administrative Ordinances, five percent (5%) or fifty thousand dollars (\$50,000), whichever is less ("Price Adjustment"), shall be subtracted from the bid price of any Preferred Vendor (a Local Business that is also a Veteran Owned Business, Disabled Veteran Business, or Small Business) being evaluated for award ("Adjusted Price"). A Preferred Vendor's Adjusted Price shall be the basis for award to the lowest responsible bidder. In the event that one Preferred Vendor is involved in a tie for the lowest responsible bidder, the Preferred Vendor shall be awarded the contract. In the event that more than one Preferred Vendor is involved in a tie for the lowest responsible bidder, the County shall randomly select among those Preferred Vendors for contract award.
If a contract is awarded to a Preferred Vendor, it shall be awarded at the unadjusted bid price. For example, a Preferred Vendor submitting a bid for \$100,000 would be evaluated as if the bid price was \$95,000. If based on the Adjusted Price, the Preferred Vendor is the lowest responsible bidder, the Preferred Vendor would be awarded the contract at the unadjusted price of \$100,000.

4. DETERMINATION OF ECONOMY AND EFFICIENCY

Pursuant to County Charter Sections 703.10 and 916, award of a contract resulting from this RFB may be subject to the County's requirement to determine that the services can be provided more economically and efficiently by an independent contractor than by persons employed in the Classified Service.

5. COUNTY COMMITMENT

- 5.1. This RFB does not commit the County to award, nor does it commit the County to pay any cost incurred in the submission of the bid, or in making necessary studies or designs for the preparation thereof, nor procure or contract for services or supplies. Further, no reimbursable cost may be incurred in anticipation of a contract award.
- 5.2. The County reserves the right to accept or reject any or all bids received as a result of this RFB or to separately procure the same or similar goods or services.
- 5.3. The County reserves the right to terminate this RFB in part or in its entirety at any time prior to contract execution.
- 5.4. No prior, current, or post award communication with any officer, agent, or employee of the County shall affect or modify any terms or obligations of this RFB except as explicitly provided for in this RFB.

6. LATE, MODIFIED, OR WITHDRAWN BID

- 6.1. A bid that is received, but that is not received at the office or by the electronic means designated in the solicitation by the exact time specified for receipt will not be considered unless: it is received before award is made; the County determines that it is in its best interest to accept the bid; and
 - 6.1.1. It was sent by mail or personal delivery, and it is determined by the County that the late receipt was due solely to mishandling by the County after receipt by the County; or
 - 6.1.2. No responsive bid was submitted.
- 6.2. Bids may not be modified after the due date and time. Bids may not be withdrawn after the due date and time except in the event of a Mistake in Bid, provided that the Offeror notifies the County of the Mistake in Bid, specifying in detail the mistake and how the mistake occurred, within five (5) business days.
- 6.3. A mistake in bid ("Mistake in Bid") is defined as a mistake that (1) made the bid materially different than the bidder intended it to be, and (2) was made in filling out the bid and not due to error in judgment or to carelessness in inspecting the site of the work, or in reading the requirements.

Such notifications, or other requests for explanation regarding the RFB or related documents, shall be directed to the Contracting Officer in writing as a question ("Question"). Bidder/Offeror (Offeror) must meet or exceed a 3% DVB Subcontractor Participation goal for each task order where the value of services exceeds \$1 million in annual value, or must show a good faith effort to do so. Offeror does not need to submit documentation with its submittal but must submit a DVB Subcontractor Participation Summary and DVB Subcontractor Participation Plan for each task order prior to issuance of each such task order. Only contractors that will perform a commercially useful function as defined by California Military and Veterans Code Section 999 or successor statute shall be used in the calculation of DVB Subcontractor Participation. If the DVB Subcontractor Participation Plan does not show that Offeror has met or exceeded the 3% DVB Subcontractor Participation goal, Offeror must provide Documentation of a Good Faith Effort. Offerors are encouraged to submit the Documentation of Good Faith Effort even if they have met or exceeded the 3% DVB Subcontractor Participation goal in the event that all or part of the DVB Subcontractor Participation Plan is determined to be ineligible. County reserves the right to request a Documentation of Good Faith Effort regardless of utilization calculated on the DVB Subcontractor Participation Plan. Failure of the Offeror to comply with any task order DVB requirement, including failure to provide adequate evidence of meeting or exceeding the 3% DVB Subcontractor Participation goal or adequate evidence of showing a good effort to do so, either in submitting these DVB forms or if the County makes a subsequent request for evidence, may adversely impact the potential for the Offeror to receive any further work under the contract.

COUNTY OF SAN DIEGO - REQUEST FOR BIDS (RFB) 12200
DEPARTMENT OF GENERAL SERVICES
AS NEEDED VEHICLE AND EQUIPMENT TIRE SUPPLIES, AND SERVICES

and County shall have no obligation to pay Contractor's agents, employees subcontractors, or consultants; to support any such person's or entity's claim against the Contractor; or to defend Contractor against any such claim.

In the event any subcontractor or consultant is utilized by Contractor for any portion of the project, Contractor retains the prime responsibility for carrying out all the terms of this Agreement, including the responsibility for performance and ensuring the availability and retention of records of subcontractors and consultants in accordance with this Agreement.

- 1.4.1 "Related Subcontract" means an agreement to furnish, or the furnishing of, supplies, materials, equipment, or services of any kind to Contractor or any higher tier subcontractor in the performance of some or all of the work in this Agreement. Related Subcontracts includes consultant agreements, which are defined as agreements for services rendered, or the rendering of services, by persons who are members of a particular profession or possess as special skill and who are not officers or employees of the Contractor. Examples include those services acquired by Contractor or a subcontractor in order to enhance their legal, economic, financial, or technical positions. Professional and consultant services are generally acquired to obtain information, advice, opinions, alternatives, conclusions, recommendations, training, or direct assistance, such as studies, analyses, evaluations, liaison with government officials, or other forms or representation. Related Subcontracts shall not include agreements for ancillary goods or services, or consulting services intended to support Contractor in a general manner not specific to the work performed under this Agreement. "Related Subcontractor" means an individual or entity holding or performing a Related Subcontract.
- 1.4.2 Required Subcontract Provisions: Contractor shall notify all Related Subcontractors of Contractor's relationship to County. Contractor shall include in its Related Subcontracts and require Related Subcontractors' compliance with the provisions of Articles 3, 7, 8, 9, 10, 11, 13, 14 and 16, and section 4.6.1 of Article 4, hereunder except altered as necessary for proper identification of the contracting parties.
- 1.4.3 Contractor shall provide COR with copies of all Related Subcontracts entered into by Contractor within thirty (30) days after the effective date of the Related Subcontract, or within thirty (30) days of the effective date of this Agreement if such Related Subcontract is already in existence at that time.
- 1.4.4 County Approval: Any Related Subcontract that is in excess of fifty thousand dollars (\$50,000) or twenty five percent (25%) of the value of this Agreement, whichever is less; or a combination of Related Subcontracts to the same individual or firm for the Agreement period, the aggregate of which exceeds fifty thousand dollars (\$50,000) or twenty five percent (25%) of the value of this Agreement, whichever is less; or any Related Subcontract for professional medical or mental health services, regardless of value, must have prior concurrence of the COR.
- 1.5 Offshore Prohibition. Except where Contractor obtains the County's prior written approval, Contractor shall perform the work of this Agreement only from or at locations within the United States. Any County approval for the performance of work outside of the United States shall be limited to the specific instance and scope of such written approval, including the types of work and locations involved. Notwithstanding the foregoing, this section shall not restrict the country or countries of origin of any assets purchased to provide the work hereunder; provided that when such assets are used to provide the work, such assets shall be used only from or at locations within the geographic boundaries of the United States.
- 1.6 DVB Participation. If this Agreement resulted from a solicitation containing Disabled Veteran Business ("DVB") requirements and forms, such requirements and Contractor's submitted forms are incorporated herein by reference to the extent not included as an Exhibit to this Agreement. Contractor shall make all commercially reasonable efforts to comply with all such DVB requirements, including meeting the DVB Percent of Utilization on Contractor's DVB Subcontractor Participation Plan. Contractor shall maintain a rate of DVB utilization throughout the term of this Agreement that is reasonably in alignment with the progress of the Agreement (e.g., term, utilization, deliverables). Contractor shall provide to County, upon request, documentation sufficient to verify Contractor's compliance with such requirements.
- If in County's determination, Contractor is not in compliance with all DVB requirements, County may take corrective action, which may include (i) requiring Contractor to submit a corrective action plan acceptable to County detailing actions the Contractor will take to fulfill its DVB requirements and/or (ii) withholding of payments to Contractor equivalent to the amount of DVB underutilization. Such corrective actions shall be in addition to any other remedies the County may have under this Agreement or at law or equity.
- 1.7 Preferred Vendor. If this Agreement resulted from a solicitation where Contractor claimed Preferred Vendor status in its response per section 405 of the San Diego County Administrative Code, Contractor shall perform a commercially useful function (as that term is defined in California Military and Veterans Code § 999 or successor statute) throughout the term of this Agreement.

ARTICLE 2
SCOPE OF WORK

- 2.1 Statement of Work. Contractor shall perform the work described in the "Statement of Work" attached as Exhibit A to this Agreement, and by this reference incorporated herein, except for any work therein designated to be performed by County.
- 2.1.1 Evaluation Studies. Contractor shall participate as requested by the County in research and/or evaluative studies designed to show the effectiveness and/or efficiency of Contractor services or to provide information about Contractor's project.
- 2.2 Right to Acquire Equipment and Services. Nothing in this Agreement shall prohibit the County from acquiring the same type or equivalent equipment and/or service from other sources, when deemed by the County to be in its best interest.
- 2.3 Responsibility for Equipment. County shall not be responsible nor be held liable for any damage to persons or property consequent upon the use, misuse, or failure of any equipment used by Contractor or any of Contractor's employees, even though such equipment may be furnished, rented, or loaned to Contractor by County. The acceptance or use of any such equipment by Contractor or Contractor's employees shall be construed to mean that Contractor accepts full responsibility for and agrees to exonerate, indemnify, and hold harmless County from and against any and all claims for any damage whatsoever resulting from the use, misuse, or failure of such equipment, whether such damage be to the employee or property of Contractor, other Contractors, County, or other persons. Equipment includes, but is not limited to material, computer hardware and software, tools, or other things.
- 2.3.1 Contractor shall repair or replace, at Contractor's expense, all County equipment or fixed assets that are damaged or lost as a result of Contractor negligence.
- 2.4 Non-Expendable Property Acquisition. County retains title to all non-expendable property provided to Contractor by County, or which Contractor may acquire with funds from this Agreement if payment is on a cost reimbursement basis, including property acquired by lease purchase Agreement. Contractor may not expend funds under this Agreement for the acquisition of non-expendable property having a unit cost of \$5,000 or more and a normal life expectancy of more than one year without the prior written approval of COR. Contractor shall maintain an inventory of non-expendable equipment, including dates of purchase and disposition of the property. Inventory records on non-expendable equipment shall be retained, and shall be made available to the County upon request, for at least three years following date of disposition. Non-expendable property that has value at the end of the Agreement (e.g. has not been depreciated so that its value is zero), and to which the County may retain title under this paragraph, shall be disposed of at the end of the Agreement as follows: At County's option, it may: 1) have Contractor deliver to another County contractor or have another County contractor pick up the non-expendable property; 2) allow Contractor to retain the non-expendable property provided that Contractor submits to the County a written statement in the format directed by the County of how the non-expendable property will be used for the public good; or 3) direct the Contractor to return to the County the non-expendable property.

ARTICLE 3
DISENTANGLEMENT

3.1 General Obligations.

Upon the expiration or termination of all or a portion of the services provided hereunder ("Transitioning Services,"), the County may elect to have such services, substantially similar services, or follow-on services ("Disentangled Services") performed by County or one or more separate contractors ("Replacement Provider"). Contractor shall take all actions necessary to accomplish a complete and timely transition of the Disentangled Services ("Disentanglement") without any material impact on the services. Contractor shall cooperate with County and otherwise take all steps reasonably required to assist County in effecting a complete and timely Disentanglement. Contractor shall provide Replacement Provider with all information regarding the services and any other information needed for Disentanglement.

Contractor shall provide for the prompt and orderly conclusion of all work required under this Agreement, as County may direct, including completion or partial completion of projects, documentation of work in process, and other measures to assure an orderly Disentanglement.

3.2 Disentanglement Process.

Contractor and County shall discuss in good faith a plan for Contractor's Disentanglement that shall not lessen in any respect Contractor's Disentanglement obligations.

If County requires the provision of Transitioning Services after expiration or termination of the Agreement or Disentanglement work not otherwise required under this Agreement, for which additional compensation will be due, such services shall be compensated at: (i) the applicable rates in Agreement or a reasonable pro-rata of those prices, or (ii) if no

DEPARTMENT OF GENERAL SERVICES
AS NEEDED VEHICLE AND EQUIPMENT TIRE SUPPLIES, AND SERVICES

applicable rates apply, no more than Contractor's costs. Such work must be approved in writing by County approval of a written Disentanglement plan or separately in writing and is subject to the Compensation clause on the signature page.

Contractor's obligation to provide Disentanglement services shall not cease until all Disentanglement obligations are completed to County's reasonable satisfaction, including the performance by Contractor of all Specific Obligations of Contractor. County shall not require Contractor to perform Transitioning Services beyond 12 months after expiration or termination, provided that Contractor meets all Disentanglement obligations and other obligations under Agreement.

3.3 Specific Obligations.

The Disentanglement shall include the performance of the following specific obligations ("Specific Obligations"):

3.3.1 No Interruption or Adverse Impact

Contractor shall cooperate with County and Replacement Provider to ensure a smooth Disentanglement, with no interruption of or adverse impact to Disentangled Services, Transitioning Services, other work required under the Agreement, or services provided by third parties.

3.3.2 Client Authorizations.

Contractor shall obtain from clients served by Contractor all client consents or authorizations legally necessary to transfer client data to Replacement Provider.

3.3.3 Leases, Licenses, and Third-Party Agreements.

Contractor shall procure at no charge to County all authorizations necessary to grant Replacement Provider the use and benefit of any third-party agreements pending their conveyance or assignment to Replacement Provider.

Contractor, at its expense, shall convey or assign to Replacement Provider leases, licenses, and other third-party agreements procured under this Agreement, subject to written approval of the Replacement Provider (and County, if Replacement Provider is other than County).

Without limiting any other provision of this Agreement, Contractor shall reimburse County for any losses resulting from Contractor's failure to comply with any terms of any third-party agreements prior to the date of conveyance or assignment.

3.3.4 Return, Transfer, and Removal of Assets.

Contractor shall return to County all County assets in Contractor's possession, pursuant to section 2.4 of this Agreement.

County shall be entitled to purchase at net book value Contractor assets used primarily for the provision of Disentangled Services to or for County, other than those assets expressly identified as not being subject to this provision. Contractor shall promptly remove from County's site any Contractor assets that County, or its designee, chooses not to purchase under this provision.

3.3.5 Delivery of Documentation.

Notwithstanding section 13.5 of this Agreement, and without limiting Contractor's obligations thereunder, Contractor shall deliver to Replacement Provider (and/or County, if Replacement Provider is other than County), all documentation and data necessary for Disentanglement.

ARTICLE 4
COMPENSATION

County will pay Contractor in accordance with Exhibit C Payment Schedule and this Article 4, for the work specified in Exhibit A Statement of Work (SOW), not to exceed the maximum compensation as set forth on signature page. Contractor shall employ and maintain an accounting and financial system to effectively monitor and control costs and assure accurate invoicing and performance under this Agreement.

4.1 General Principles. Contractor shall comply with generally accepted accounting principles, good business practices, San Diego County Code of Administrative Ordinances section 472, and the cost principles published by the federal Office of Management and Budget (OMB), including 2 CFR 200 - UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS "The Uniform Guidance," which can be viewed at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl. Contractor shall comply with all applicable federal, State, and other funding source requirements. Contractor shall, at its own expense, furnish all cost items associated with this Agreement except as specifically stated herein to be furnished by County.

4.1.1 Fiscal Year. The County's fiscal year runs from July 1 through June 30 ("County Fiscal Year").

DEPARTMENT OF GENERAL SERVICES
AS NEEDED VEHICLE AND EQUIPMENT TIRE SUPPLIES, AND SERVICES

4.2 Compensation.

4.2.1 Contractor shall be entitled to compensation only upon completion and acceptance of a deliverable or portion of work as described in the Payment Schedule ("Services"). Services shall include any additional or as-needed services specified in the SOW and Pricing Schedule and pre-approved in writing by COR or authorized by County task order issued in accordance with this Agreement ("As-Needed Services").

4.2.1.1 Contractor shall be entitled to reimbursement for incidental expenses associated with any such portions of the work only when specifically allowed for in the SOW and Pricing Schedule ("Reimbursable Expenses"), and only upon completion and acceptance of the Services for which they were incurred unless earlier reimbursement is otherwise authorized under this Agreement. Compensation for Reimbursable Expenses shall be at cost.

4.2.1.2 Where travel, lodging, or meal expenses ("Travel Expenses") are allowable Reimbursable Expenses, rates must not exceed County-authorized rates set forth in San Diego County Administrative Code section 472. Should Contractor incur Travel Expenses greater than the County-authorized rates, Contractor shall not be entitled to reimbursement for the difference between the County-authorized rate for each category and the actual cost.

4.3 Invoices.

4.3.1 Contractor shall invoice monthly for completed and accepted Services performed in the prior months. Completed fixed-price deliverables may be invoiced upon acceptance.

4.3.2 Contractor shall submit invoices to the COR that are completed and submitted in accordance with written COR instructions and are in compliance with all Agreement terms.

4.3.2.1 Contractor shall provide accurate invoices with sufficient detail and supporting documentation for County verification. Invoices must reference the Agreement number (and task order, if applicable), contain a detailed listing of each deliverable or portion of work, including the pay point, target, accomplishment, unit price, percentage completion, and appropriate calculations where applicable.

4.3.2.2 Contractor invoices shall include the following language:

I certify, under penalty of perjury under the laws of the State of California, that the deliverables and/or services invoiced were delivered and/or performed specifically for this Agreement in accordance with and compliance to all terms and conditions set forth therein.

4.3.3 Contractor requests for payment of authorized Reimbursable Expenses must be included in the invoice for the associated Services, unless previously invoiced in accordance with this Agreement.

4.4 Payments. Contractor shall be entitled to payment only upon County approval of a correct and substantiated invoice. Payment terms are, unless otherwise specified by County, thirty (30) days from the later of: (i) performance of work under the Agreement entitling Contractor to payment, (ii) County receipt of a correct and substantiated invoice, and (iii) County receipt of all substantiating information. The County at its sole discretion may issue partial payment where only a portion of an invoice is correct and substantiated. Payment shall be deemed to have been made on the date that County submits electronic payment or mails a warrant or check. The County is precluded from making payments prior to receipt of services (advance payments).

4.5 Full Compensation. The compensation set forth in this Agreement shall constitute the full and complete payment for Contractor's performance of the services set forth herein. Contractor shall not be entitled to any additional payment for services rendered. Contractor shall not be entitled to any compensation, reimbursement, ancillary benefits, or other consideration for services rendered beyond that specified in Agreement.

4.6 Prompt Payment for Vendors and Subcontractors

4.6.1 Unless otherwise set forth in this section 4.6, Contractor shall promptly pay Related Subcontractors for satisfactory performance of work required by this Agreement. Such prompt payment shall be no later than thirty (30) days after Contractor receives payment for such services from County, and Contractor shall apply such payments to the payment of the Related Subcontractor(s) that performed the work.

4.6.2 If Contractor determines that any payment otherwise due such Related Subcontractor is subject to withholding in accordance with a Related Subcontract, Contractor shall:

4.6.2.1 Provide written notice to the Related Subcontractor and COR within three (3) business days of such withholding stating the amount to be withheld, the basis for the withholding, and, if applicable, the cure required of the Related Subcontractor in order to receive payment of the amounts withheld; and

4.6.2.2 Reduce the Related Subcontractor's payment by an amount not to exceed the amount specified in the notice furnished under paragraph 4.6.3.1 above.

COUNTY OF SAN DIEGO - REQUEST FOR BIDS (RFB) 12200
DEPARTMENT OF GENERAL SERVICES
AS NEEDED VEHICLE AND EQUIPMENT TIRE SUPPLIES, AND SERVICES

- 4.6.3 Contractor shall not include in any invoice to the County amounts that the Contractor has withheld or intends to withhold from a Related Subcontractor for failure to satisfactorily perform work in a manner required by this Agreement. If such withholding determination is made after submitting an invoice to the County, Contractor shall submit to County a revised invoice omitting or crediting such amount. Contractor shall not include such amounts in any subsequent invoices unless the Related Subcontractor has cured the basis for withholding.
- 4.7 Partial Payment. Contractor shall be paid only for work performed in accordance with this Agreement. If Contractor fails to perform a portion of the work or fails to perform some or all of the work in accordance with this Agreement, County, at its sole discretion, may provide partial payment to Contractor to reflect the reasonable value of work properly performed.
- 4.8 Withholding of Payment. Without limiting any other provision of this Agreement, County may withhold payment, in whole or in part, if any of the following exist:
- 4.8.1 Missing Information. Contractor has not provided to County any reports, data, audits, or other information required for Agreement administration, for reporting or auditing purposes, or by State, federal, or other funding source.
- 4.8.2 Misrepresentation. Contractor, with or without knowledge, made any misrepresentation of a substantial and material nature with respect to any information furnished to County
- 4.8.3 Unauthorized Actions by Contractor. Contractor took any action under this Agreement that required County approval without having first received such approval.
- 4.8.4 Breach. In the County's determination, Contractor is, or at the time of performance was, in breach of any of the terms of this Agreement.
- 4.8.5 Wage Theft. Contractor has a judgment rendered against it by the California Division of Labor Standards Enforcement (DLSE), other state labor compliance body, or the United States Department of Labor that is unsatisfied. In such event, County may withhold payment from Contractor in the amount of such unsatisfied judgment until such judgment has been discharged.
- 4.9 Disallowance. County may disallow payment at any time if it determines that the basis for the payment is or was not eligible for compensation under this Agreement. If County makes payment to Contractor that is later disallowed by the County, State or federal government, or other funding source, County shall be entitled to prompt recovery of funds in accordance with Article 12.
- 4.10 Maximum Price. During the performance period of this Agreement, the maximum price for the same or similar items and/or services shall not exceed the lowest price at which Contractor then offers the items and/or services to its most favored customer.
- 4.11 Overpayments. If Contractor becomes aware of a duplicate contract financing or invoice payment or that County has otherwise overpaid on a contract financing or invoice payment, Contractor shall immediately notify the COR and County shall be entitled to prompt recovery of funds in accordance with Article 12.
- 4.12 Availability of Funding. The County's obligation for payment under this Agreement is contingent upon the availability of funding from which payment can be made. No legal liability on the part of the County shall arise for payment beyond the end of the County Fiscal Year for which funds are designated by the County. In the event that federal, State, or County funding ceases or is reduced, the County shall, in its sole discretion and without limiting any other provision of this Agreement, have the right to terminate or suspend this Agreement, or to reduce compensation and service levels proportionately.
- 4.13 Rate of Expense. Contractor shall control its rate of expense throughout the term of this Agreement such that it is reasonably in alignment with the progress of the Agreement, inclusive of term, achievement towards objectives, anticipated revenue, deliverables, and other applicable factors. Contractor shall provide to County, upon request, documentation sufficient to verify Contractor's compliance with such requirements.

- 7.5.2 In no event shall the County be liable for any loss of profits or any other consequential damages.

- 7.5.3 County's termination of this Agreement for convenience shall not preclude it from changing the termination to a default, as set forth in section 7.1 of this Agreement, nor from taking any action in law or equity against Contractor for:

County shall not be liable for, and Contractor shall defend and indemnify County and the employees and agents of County (collectively "County Parties"), against any and all claims, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorneys' fees and court costs (hereinafter collectively referred to as "Claims"), related to this Agreement or the work covered by this Agreement and arising either directly or indirectly from any act, error, omission or negligence of Contractor or its Contractors, licensees, agents, servants or employees, including, without limitation, Claims caused by the sole passive negligent act or the concurrent negligent act, error or omission, whether active or passive, of County Parties. Contractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties.
- Without limiting the foregoing, Contractor's defense and indemnity obligations under this section shall specifically apply to any claim, suit, proceeding, demand, liability, loss, damage, or expense (including but not limited to attorneys' fees) arising from or relating to a claim that any work performed pursuant to this Agreement infringes a patent, copyright, moral right, trademark, trade secret, or other intellectual property right of a third party. Without limiting the generality of the foregoing, if any portion of any the same or County's use of the same is, or in Contractor's or County's opinion is likely to be, held to infringe the rights of any third party, Contractor shall at its expense either (i) procure the right for County to use the infringing item free of any liability or expense to County to the full extent contemplated by this Agreement; or (ii) replace it with a non-infringing equivalent reasonably satisfactory to County. Without limiting the County's other rights and Contractor's obligations under this section, County shall have the right to employ counsel at its own expense for, and participate in the defense of, any claim.
- 10.2 Insurance. Contractor shall, at its own cost and expense, obtain and keep in force and effect during the term of this Agreement, including all extensions, the insurance specified in Exhibit B Insurance Requirements. Evidence of insurance and any other documents or notices required to be provided to County pursuant to Exhibit B shall be submitted to the COR or as instructed

AUDIT AND INSPECTION

- 11.1 Audit and Inspection.
- 11.1.1 Authorized federal, State and County representatives and their designated inspectors shall each have the following rights ("Audit and Inspection"):

- 11.2.4 a copy of all responses made by a federal or State representative to a Contractor's audit response no later than three (3) business days after receiving it, unless prohibited by the government agency conducting the audit. Contractor shall maintain and/or make available within San Diego County accurate books, accounting records, and other records related to Contractor's performance under this Agreement, including all records of costs charged to this Agreement during the term of this agreement and for the longer of: (i) a period of five (5) years after the date of final payment under this Agreement, (ii) for records that relate to appeals under Article 15 "Disputes," or litigation or the settlement of claims arising out of the performance of this Agreement, three (3) years after such appeals, litigation, or claims have been disposed of, and (iii) any retention period required by the funding source(s) of this Agreement. Contractor shall provide any requested records to County within two (2) business days of request. Contractor assertions of confidentiality shall not be a bar to full access to the records. County shall keep the materials described above confidential unless otherwise required by law.
- 11.3.1 Contractor shall maintain, and the records referred to in section 11.3 shall include, records sufficient to establish the reasonableness accuracy, completeness and currency of all cost or pricing data submitted to County in connection with this Agreement, including records of adequate price competition, negotiations, and cost or price analysis.

- 11.6 **Corrective Actions.** If any services performed hereunder are found to have not been in conformity with the specifications and requirements of this Agreement, County shall have the right to (1) require the Contractor to perform the services in conformity with said specifications and requirements at no additional increase in total Agreement amount, (2) require Contractor immediately to take all necessary steps to ensure future performance of the services in conformity with requirements of the Agreement, (3) reduce payment to Contractor in accordance with Article 4, (4) have the services performed, by agreement or otherwise, in conformance with the specifications of this Agreement and recover from Contractor any costs incurred by County that are directly related to the performance of such services, and/or (5) pursue any other rights or remedies available to County under this Agreement.

ARTICLE 12
RECOVERY OF FUNDS

Where Contractor is required to reimburse County under any provision of this Agreement, or where County is otherwise owed funds from Contractor, County may, at its sole discretion and subject to funding source restrictions and State and federal law: (1) withhold such amounts from any amounts due to Contractor pursuant to the payment terms of this Agreement, (2) withhold such amounts from any other amounts due to Contractor from County, and/or (3) require Contractor to make payment to County for the total amount due (or a lesser amount specified by County) within thirty (30) days of request by County. Notwithstanding the foregoing, County may allow Contractor to repay any such amounts owed in installments pursuant to a written repayment plan.

ARTICLE 13
USE OF DOCUMENTS AND REPORTS

- 13.1 **Findings Confidential.** Any reports, records, data, or other information given to or prepared or assembled by Contractor under this Agreement that the County requests to be kept confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County except as may be required by law. Contractor shall not disclose to any individual or organization any reports, records, data, or other information received, prepared, or assembled by Contractor under this Agreement.
- 13.2 **Ownership, Publication, Reproduction and Use of Material.** All reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other material or properties produced under this Agreement shall be the sole and exclusive property of County. No such materials or properties produced in whole or in part under this Agreement shall be subject to private use, copyright, or patent right by Contractor in the United States or in any other country without the express written consent of County. County shall have unrestricted authority to publish, disclose, distribute and otherwise use, copyright or patent, in whole or in part, any such reports, studies, data, statistics, forms or other materials or properties produced under this Agreement.
- 13.3 **Confidentiality.** Contractor agrees to maintain the confidentiality of and take industry appropriate and legally required measures to prevent the unlawful disclosure of any information that is legally required to be kept confidential. Except as otherwise allowed by local, State, or federal law or regulation and pursuant to this section 13.3, Contractor agrees to only disclose confidential records where the holder of the privilege, whether the County, or a third party, provides written permission authorizing the disclosure.
- 13.4 **Public Records Act.** The California Public Records Act ("CPRA") requires County to disclose "public records" in its actual or constructive possession unless a statutory exemption applies. This generally includes contracts and related documents. If County receives a CPRA request for records relating to the Agreement, County may, at its sole discretion, either determine its response to the request without notifying Contractor or notify Contractor of the request. If County determines its response to the request without notifying Contractor, Contractor shall hold County harmless for such determination. If County notifies Contractor of the request, Contractor may request that County withhold or redact records responsive to the request by submitting to County a written request within five (5) business days after receipt of the County's notice. Contractor's request must identify specific records to be withheld or redacted and applicable exemptions. Upon timely receipt of Contractor's request, County will review the request and at its sole discretion withhold and/or redact the records identified by Contractor. Contractor shall hold County harmless for County's decision whether to withhold and/or redact pursuant to Contractor's written request. Contractor further agrees that its defense and indemnification obligations set forth in section 10.1 of this Agreement extend to any Claim (as defined in section 10.1) against the County Parties (as defined in section 10.1) arising out of County's withholding and/or redacting of records pursuant to Contractor's request. Nothing in this section shall preclude Contractor from bringing a "reverse CPRA action" to prevent disclosure of records. Nothing in this section shall prevent the County or its agents or any other governmental entity from accessing any records for the purpose of audits or program reviews if that access is legally permissible under the applicable local, State, or federal laws or regulations. Similarly, County or its agent or designee may take possession of the record(s) where legally authorized to do so.

County, at its option, may take custody of Contractor's client records upon Agreement termination, expiration, or at such other time as County may deem necessary. County agrees that such custody will conform to applicable confidentiality provisions of State and federal law and that retained records shall be available to Contractor for examination and inspection in accordance with applicable law. Contractor shall destroy records not turned over to County in accordance with applicable retention requirements and this Agreement. Notwithstanding the foregoing, Contractor may retain one (1) copy of the documentation and data for archival purposes or warranty support, and Contractor may maintain records that it is legally required to maintain.

ARTICLE 14
(RESERVED)

ARTICLE 15
DISPUTES

Notwithstanding any provision of this Agreement to the contrary, the Contracting Officer shall decide any dispute concerning a question of fact arising out of this Agreement that is not otherwise disposed of by the parties within a reasonable period of time. The decision of the Contracting Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. Contractor shall proceed diligently with its performance hereunder pending resolution by the Contracting Officer of any such dispute. Nothing herein shall be construed as granting the Contracting Officer or any other administrative official, representative or board authority to decide questions of law, or issues regarding the medical necessity of treatment or to pre-empt any medical practitioners' judgment regarding the medical necessity of treatment of patients in their care. The foregoing does not change the County's ability to refuse to pay for services rendered if County disputes the medical necessity of care.

ARTICLE 16
GENERAL PROVISIONS

- 16.1 Change of Control. Contractor shall notify County in writing of any change in majority ownership of Contractor (or all or substantially all of Contractor's assets) through a transaction or series of transactions including, without limitation, an acquisition, sale, reorganization, merger, or consolidation ("Change of Control") at least one hundred eighty (180) days prior to the effective date of a Change of Control or as soon as practicable thereafter if notice cannot legally be provided to County within such timeframe.

Any purported assignment or delegation in violation of this section shall be null and void.
- 16.3 Entire Agreement. This Agreement, together with all Exhibits attached hereto and other agreements expressly referred to herein, constitute the entire agreement between the parties with respect to the subject matter contained herein. - 16.9 Neither Party Considered Drafter. Despite the possibility that one party may have prepared the initial draft of this Agreement or played the greater role in the physical preparation of subsequent drafts, neither party shall be deemed the drafter of this Agreement and that, in construing this Agreement in case of any claim that any provision hereof may be ambiguous, no such provision shall be construed in favor of one party on the ground that such provision was drafted by the other.
- 16.10 No Other Inducement. The making, execution, and delivery of this Agreement by the parties hereto has been induced by no representations, statements, warranties, or agreements other than those expressed herein.
- 16.11 Notices. Notice to either party shall be in writing and personally delivered; sent by certified mail, postage prepaid, return receipt requested; or emailed to the County's or Contractor's designated representative (or such party's authorized representative). Any such notice shall be deemed received by the party (or such party's authorized representative) on the earliest of the date of personal delivery, three (3) business days after deposit in the U.S. Mail, or upon sending of an email from which an acknowledgement of receipt has been received other than an out of office, unavailable, or undeliverable reply.
- 16.12 Severability. If any term, provision, covenant, or condition of this Agreement is held to be invalid, void or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term, provision, covenant, or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.
- 16.13 Successors. Subject to the limitations set forth in sections 16.1 and 16.2 above, all terms of this Agreement shall be binding upon, inure to the benefit of, and be enforceable by the parties hereto and their respective heirs, legal representatives, successors, and assigns.
- 16.14 Time. Time is of the essence for each provision of this Agreement.

Calendar days shall include all days of the week, including holidays. Business days shall be Monday through Friday, excluding County observed holidays.
- 16.16 Waiver. The waiver by one party of the performance of any term, provision, covenant, or condition shall not invalidate this Agreement, nor shall it be considered as a waiver by such party of any other term, provision, covenant, or condition. Delay by any party in pursuing any remedy or in insisting upon full performance for any breach or failure of any term, provision, covenant, or condition shall not prevent such party from later pursuing remedies or insisting upon full performance for the same or any similar breach or failure.
- 16.17 Third Party Beneficiaries Excluded. This Agreement is intended solely for the benefit of the County and its Contractor. Any benefit to any third party is incidental and does not confer on any third party to this Agreement any rights whatsoever regarding the performance of this Agreement. Any attempt to enforce provisions of this Agreement by third parties is specifically prohibited.

- 16.20 Responsiveness to Community Concerns. Contractor shall notify County within one business day of receipt of any material complaints submitted to Contractor orally or in writing related to Contractor's performance of work under this Agreement ("Complaints"), unless prohibited by applicable State, federal, or local law. Complaints include, but are not limited to, issues of abuse or quality of care, or issues regarding a program or facility applicable to this Agreement. Contractor shall take appropriate steps to acknowledge receipt of Complaint(s) from individuals or organizations and to address or resolve all Complaints. Contractor shall promptly notify the County of the status and disposition of all complaints and provide additional information or documentation upon request. - 16.21.1 Contractor shall utilize a subsequent arrest notification service or perform a criminal background check annually during the term of this Agreement for any employee, director, officer, agent, subcontractor, consultant, or volunteer who will be providing any services under this Agreement. As a requirement of this contract, any available insurance proceeds in excess of the specified minimum limits and coverage stated above, shall also be available to the County of San Diego.

3. Self-Insured Retentions

Any self-insured retention must be declared to and approved by County Risk Management. 4. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

A. Additional Insured Endorsement

The County of San Diego, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers of the County, individually and collectively are to be covered as additional insureds on the General Liability policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations and automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. General Provisions

5. Qualifying Insurers

All required policies of insurance shall be issued by companies which have been approved to do business in the State of California by the State Department of Insurance, and which hold a current policy holder's alphabetic and financial size category rating of not less than A, VII according to the current Best's Key Rating guide, or a company of equal financial stability that is approved in writing by County Risk Management.

6. Evidence of Insurance

Prior to commencement of this Contract, but in no event later than the effective date of the Contract, Contractor shall furnish the County with a copy of the policy declaration and endorsement pages along with the certificates of insurance and amendatory endorsements effecting coverage required by this clause. Policy declaration and endorsement pages shall be included with renewal certificates and amendatory endorsements submissions and shall be furnished to County within thirty days of the expiration of the term of any required policy. Contractor shall permit County at all reasonable times to inspect any required policies of insurance. The Contract/Project Number should be noted in the "Description of Operations" box located near the bottom of the form. 7. Failure to Obtain or Maintain Insurance; County's Remedies

Contractor's failure to provide insurance specified or failure to furnish certificates of insurance and amendatory endorsements or failure to make premium payments required by such insurance shall constitute a material breach of the Contract, and County may, at its option, terminate the Contract for any such default by Contractor.

8. No Limitation of Obligations

The foregoing insurance requirements as to the types and limits of insurance coverage to be maintained by Contractor, and any approval of said insurance by the County are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by Contractor pursuant to the Contract, including, but not limited to, the provisions concerning indemnification.

9. Review of Coverage

County retains the right at any time to review the coverage, form and amount of insurance required herein and may require Contractor to obtain insurance reasonably sufficient in coverage, form and amount to provide adequate protection against the kind and extent of risk which exists at the time a change in insurance is required.

10. Self-Insurance

Contractor may, with the prior written consent of County Risk Management, fulfill some or all of the insurance requirements contained in this Contract under a plan of self-insurance. Contractor shall only be permitted to utilize such self-insurance if in the opinion of County Risk Management, Contractor's (i) net worth, and (ii) reserves for payment of claims of liability against Contractor, are sufficient to adequately compensate for the lack of other insurance coverage required by this Contract. Contractor's utilization of self-insurance shall not in any way limit liabilities assumed by Contractor under the Contract.

11. Subcontractors' Insurance

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. Such Additional Insured endorsement shall be attached to the certificate of insurance in order to be valid and on a form at least as broad as ISO from CG 2010 11 85 or both CG 2010, CG 2026, CG 2033, or CG 2038; and CG 2037 forms if later revisions used. If any sub contractor's coverage does not comply with the foregoing provisions, Contractor shall defend and indemnify the County from any damage, loss, cost, or expense, including attorneys' fees, incurred by County as a result of subcontractor's failure to maintain required coverage.

12. Waiver of Subrogation

Contractor hereby grants to County a waiver of their rights of subrogation which any insurer of Contractor may acquire against County by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County for all work performed by the Contractor, its employees, agents and subcontractors.

From: Rob Wood

Subject: RFB 12200

In reference to the Goodyear pricing, I have attached the current Goodyear base Price book as of January 2023. The prices on this attachment are the current prices for the State of California. The discount structures stated below (from the County of San Diego bid) are the same as the discounts on the State of California pricing for 2023. However, the State of California pricing has some additional discounts that I could honor for the County of San Diego (listed on the price sheet).

If you have any questions, please let me know.
