

State & County Redistricting Webinar

What It Is , How It Works

*Discover the details of
redistricting from commissioners
Patricia Sinay & Rosette Garcia, LWNCSd members*

Redistricting is a primary area of interest for Leagues all over the U. S. It's the once-a-decade process of redrawing the political boundaries for elective offices after completion of each U.S. Census. For the years 2011 to 2021, the redistricting of California's Congressional, State Senate, State Assembly and Board of Equalization districts is determined by the voter-approved California Citizens Redistricting Commission.

LWNCSd member Patricia Sinay was appointed to the California Redistricting Commission last year while fellow member Rosette Garcia was recently appointed to the San Diego County Redistricting Commission. They'll share their insights during this informative webinar on April 15.

We are fortunate to have these Commissions, because in states where the boundaries of political districts are drawn by elected officials, the possibility of gerrymandering is always a concern.
