D. Experience Qualifications

State law requires candidates demonstrate experience in areas related to redistricting. Please provide responses to the following questions.

1. What experience do you possess that demonstrates analytical skills relevant to the redistricting process and voting rights, and demonstrates your ability to comprehend and apply the applicable state and federal legal requirements?

I worked for the County of San Diego, Land Use and Environment Group for 17 years, first in the Department of Environment Health, and then in the DCAO's office as the County's Customer Service Manager. During this time, I worked extensively with all of the Departments in the County of San Diego, including an assignment as a legislative analyst for DEH. I have a working knowledge of environmental and land use codes and regulations. I am a proponent of good government, best practices, and continuous improvement, and have spent much of my career working with government agencies to improve access to services and the customers' experience. I have volunteered to register new voters and have been trained as/worked as a poll worker.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

2. What experience do you possess that demonstrates an ability to be impartial?

I have earned a Master Degree in Public Health and a Bachelors of Science in Biology, both from San Diego State University. My scientific training and analysis of various topics allows objective data driven analysis and conclusions to be drawn.

For many years I have been in executive management and leadership positions in both the public and private sector. My experience includes representing the County as the Customer Service Manager, working for the City of San Diego as the Department Director for the Customer Services Department, and in the private sector as the President and CEO of Customer Service Advantage, a small woman-owned business. Working in these capacities successfully was based in the ability to be impartial in analyzing and recommending actions that would result in the overall betterment and continuous improvement of any program or area that I was tasked to consider.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

3. What experience do you possess that demonstrates an appreciation for the diverse demographics and geography of the County of San Diego?

I worked in local government as an employee for almost 20 years. During this time, I participated in and/or lead multiple task forces and projects that included the vast majority of the internal departments within these agencies, and the coordination of other regional and state agencies, including all 18 Cities in the County, MTS, SANDAG, The Unified Port District, Harbor Police, The Airport Authority, the Regional Water Quality Control Board, and multiple non-profits.

As for geography, as part of my role as the County of San Diego's Customer Service Manager, I ran the County's internal Mystery Shopping Program, which allowed me to regularly visit County locations all over the geographic area of the County, including places like Parks, Sheriff's substations, Libraries, etc. I am well versed in the complexities of our diverse demographics and the physical geography of the County itself. I am also an avid hiker and backpacker and have spent much time in the rural areas of this County's back country.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.
