State law requires candidates demonstrate experience in areas related to redistricting. Please provide responses to the following questions.

1. What experience do you possess that demonstrates analytical skills relevant to the redistricting process and voting rights, and demonstrates your ability to comprehend and apply the applicable state and federal legal requirements?

I have practiced law for over three years and have thus applied numerous state and federal laws to various matters, primarily in the commercial litigation context. Immediately prior to my admission to the bar in May 2017, I led a non-profit project to monitor San Diego County polling sites during the 2016 presidential election to ensure compliance with various provisions of state and federal election law. This project culminated in a published report to the San Diego County Registrar of Voters containing a number of recommendations to improve ROV compliance with applicable voting laws.

During the State redistricting process in 2010, as well in the city of Chula Vista redistricting process of 2014, I was heavily involved in organizing communities of interest to present oral and written testimony before each redistricting commission.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

2. What experience do you possess that demonstrates an ability to be impartial?

Since 2016, I have served as an administrative hearing officer for the City of San Diego. In this capacity, I preside over fair and impartial quasi-judicial hearings in which appellants contest the validity and issuance of various citations arising from the alleged violation of various municipal code sections. As a neutral, third-party arbiter, I have issued hundreds of final and binding written decisions in adjudication of the matters brought before me.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

3. What experience do you possess that demonstrates an appreciation for the diverse demographics and geography of the County of San Diego?

I have worked in many areas to promote traditionally underrepresented communities. In addition to the community organizing work I did with the 2010 State and 2014 City of Chula Vista redistricting process, I was also active in advocating for the preservation and construction of affordable housing in relation to the redevelopment of ~200 affordable units into ~600 market rate units. I now serve as the Treasurer of the Filipino American Lawyers of San Diego, an organization whose mission is to fulfill America's promise of equal access to the justice system.
