As a resident of Rainbow/Fallbrook area, I'm horrified that you would consider changing my district from District 5 to District 2! My doctors office, hospital access and general area of services have always been west, not south. My only access south towards Escondido is via the Interstate 15. At all times it is a veritable nightmare to drive, not only from severe congestion but from drivers that exceed speed limits as they careen down from Rainbow summit. Fallbrook/Rainbow have always identified with North county communities not south east communities that are far away and inaccessible. The Fallbrook/Rainbow area needs to remain in District 5.
