I understand one of the options being considered by the IRC in light of the latest census results is to remove the communities of Fallbrook, Rainbow and Bonsall from District 5 and put them into District 2. As a resident of Fallbrook, I would like to state that I am opposed to this option as I feel Fallbrook has many of the same interests as the other North County communities in District 5 and far less in common with the communities in the East County which make up the vast majority of District 2. Please take this into consideration when making your decision. Thank you.
