I have great concern regarding the county considering moving the town of Fallbrook Ca. where I live from district 5 to district 3. My concerns are shared by others in my community and are as follows; Fallbrook belongs in the North County "Community of Interest" Situated along hwy 76 we share many common North County institutions such as the County offices in Vista, veteran facilities, medical care, shopping, and entertainment along the highway 76 &78 corridors in Oceanside and Vista.

Fallbrook is a small unincorporated area. Fallbrook shares transportation issues with neighboring North County communities along the 76 & 78 corridors and depends upon the North County Transit District. We share youth sports leagues and churches with neighboring Oceanside and Vista, plus many social & cultural opportunities.

Communities like Fallbrook, Rainbow, and Bonsall are all essential parts of North County. We share roads plus postal and fire protection services with our neighboring North County communities of Oceanside and Vista. We need to be represented by just one County supervisor. Please do not create a map that will isolate Fallbrook from our neighboring North County communities.
