Thank you for reading my e-comment. My name is Stephani Baxter. I'm a resident, homeowner, and business owner in Fallbrook. I serve on the Fallbrook Community Planning Group, CSA-81, Fallbrook Trails Council, and Live Oak Park Coalition. My husband and I also lead a fellowship at a local vineyard.

Fallbrook is a special unincorporated area in North County. We have different needs, issues and concerns that are different from East County, South County or the City of San Diego.

North County, is it's own "community of interest".

Fallbrook, Bonsall, Valley Center, Vista, San Marcos, Oceanside, Rainbow, & DeLuz share many common North County services, such as Sheriff, Fire and CHP, Health care facilities, educational facilities, Resources such as water, Transit, Youth sports leagues, and social & cultural institutions. As North County communities, we collectively support the Marine Corps Base Camp Pendleton & United States Naval Weapons Station in Fallbrook We share concerns about agriculture and fire safety.

We are in a sense, a FAMILY.

Separating our unincorporated area of Fallbrook from North County cities/areas in which we have established relationships for the safety and well-being of all of our communities is detrimental and can tear apart years of hard work, and could give rise to increased crime, health concerns, increased poverty, increased fire safety issues and decreased resources.

North County needs one Supervisor to represent us at the County Board, not have our needs segregated, weakening our communities and the relationships that have been built to keep North County residents unified, safe, educated and established.

I urge you to Respect our community of interest and maintain a UNIFIED NORTH COUNTY, represented by one County Supervisor.

Thank you for your time and consideration.

Stephani Baxter
