As a longtime (over 20 years) resident of Fallbrook, I request the County Board of Supervisors to leave the communities of Fallbrook, Bonsall, Rainbow, and DeLuz within District 5, as a part of North County. The unincorporated communities within San Diego County are vastly different from their surrounding incorporated cities, but are also incredibly unique from each other. Fallbrook and its surrounding areas are and have always been an integral part of North County, specifically. We are a crossroads between coastal cities, inland cities, and workers and commuters from Riverside County. Our roads, housing, proximity to Camp Pendelton, and agriculture cannot and should not be divided away from the North County's supervisor and their representation.
