Fallbrook is a very unique and special place. The lifestyle and agricultural heritage align perfectly with our sister communities of Bonsall, Rainbow, De Luz, Valley Center, Pauma Valley, Borrego Springs, and Oceanside. Over the years, the current structure of the districts has worked very well. It allows the Supervisor over the 5th District to review needs that are fairly uniform over the district. Because of the agricultural influence and importance, we need a Supervisor that understands the importance of safe guarding who we are. We are not Jamul. We are certainly not El Cajon. There is absolutely no reason to alter the current boundaries except for political gain.
