Hello Commissioners,

Thank you for allowing me to speak. My name is Jessica Myers and I am a North County resident. When I say North County, I'm referring to the communities along the 76 and 78 corridors. Communities like Fallbrook, Bonsall, Vista, Valley Center, San Marcos, Oceanside, and Escondido which are all essential parts of North County. Our communities share many similarities and resources from overlapping agencies like health districts, fire districts, law enforcement, water districts, school districts, and especially transportation services.

We deserve to have a single advocate for our communities that understands all of the connections we have between our specific communities.

As a resident of the unincorporated area of Fallbrook, I share more in common with the surrounding communities of Bonsall, Vista, San Marcos, Escondido, Valley Center, Oceanside, and the rest of the communities along the 76 and 78 corridors than I do with the rest of the county. Our communities are not comparable to places like the city of San Diego, east county, or south county. We are coastal, rural, and urban with shared common goals that unite us.

Today, I ask that you respect our community of interest by keeping our communities together allowing for a unified North County represented by a single county supervisor. I also ask that you do NOT split Fallbrook in two parts. We, as a community, have spent years in developing our community. To split us up would be tearing down decades of progress.

Thank you for your time.

Jessica Myers
