I am a homeowner and love in my Julian house. Redistributing by splitting up Julian, Wynola and Santa Ysabel would fracture our community. While we are spread over a wide span of land, we are simply one mountain community, not three. It would have a detrimental effect to our nonprofit organizations and the TOT funds each group are awarded each year. You'd be splitting the communities of Julian, Wynola and Santa Ysabel down the middle into two different districts, leaving half in district 1 and half in district 2, essentially splintering and tearing us apart. Please keep our communities intact in either district 1 or 2 and not splitting us in two. Thank you for your careful consideration of our longtime cohesive neighborhoods.
