To Whom it may concern;

When considering the maps, please understand that Fallbrook is unique and has unique connections to all the surrounding areas along the Highway 78, I-15, and Highway 76 corridors. It's imperative that Fallbrook remains with the other North County communities. We have worked for decades to make and keep connections between all the cities to work together on collaborative efforts. Now is not the time to destroy the legacy of North County.

Respectfully,
Victoria Stover
