To whom this may concern,

I am a 16 year resident of Ramona, hearing what the County is proposing will NOT be good for me personally or the business here, and especially the Ramona Senior Center, that serves alot of the Backcountry. Ramona needs to stay linked to the surrounding communities like Poway, Santa Ysabel, Wynola, Julian, Warner Springs, Ranchita, Mesa Grande, Santa Ysabel and the Indian Reservations of Barona. The sharing of resources is vital and we need to keep a balance between rural and urban voter interests.

Please leave our District as it currently is,  
Thank you,  
Sara Allen
