To whom this may concern,

I am a business owner in Ramona, hearing what the County is proposing will NOT be good for me personally or as a business. Ramona needs to stay linked to the surrounding communities like Poway, Santa Ysabel, Wynola, Julian, Warner Springs, Ranchita, Mesa Grande, Santa Ysabel and the Indian Reservations of Barona. Sharing resources are vital and we need to keep a balance between rural and urban voter interests.

Please leave our District as it currently is,
Thank you,
Sara
