Dear Commissioners, Please keep Carlsbad in District 5. We have many community interests that align with the City of Oceanside, San Marcos, Vista & Escondido. Our Senior population is growing and we need to consider the residents of Carlsbad, Oceanside and Vista pay taxes towards the Tri-City hospital - this is one reason why we should remain aligned. It also makes sense to consider all of Escondido part of D5 as they have a great portion that is considered urban and we are all connected to the 78 corridor. There are many reasons to keep us all together. Please do not place Carlsbad with the southern coastal cities as Encinitas and Solana Beach. Our community needs are vastly different (other than the coast) from these two cities. Escondido would be a great addition to keep to the Latino community together. Thanks for your consideration.
