Please keep lakeside and a majority of East County in district 2. Our district deserves to be served by someone who understands our values and needs, that is why we voted for Anderson to represent us. We do Not want Fletcher, Vargas or Lawson-Remer as our supervisor. Their values are the exact opposite of what ours are. I have no faith that either of them will represent us the way we deserve to be represented. Please do not disrupt our way of life out here. Keep East county together with Anderson as our supervisor
