I am unable to attend (out of area) 11/1. I respectfully ask those re-districting to: Keep rural areas without adequate infrastructure rural, and to keep those areas together to form a majority vote in that district. Lack of water, high fire risk (which means evacuation measures) must be top priority for our supervisor. Safe roads for bicycles, horse trails, "Dark Skies" are all compatible for high fire risk rural areas. Large developments are not compatible.
