Concerning the redistricting, it is wrong to combine communities that have different needs. There is no way the communities of Hillcrest and Lakeside have the same concerns of what their homes and businesses priorities of funding. Other Rural and populated communities combined on the proposed redistricting map also point the real reason - To gerrymander the election integrity of the people.

Everyone knows the redistricting maps presented are designed to split the vote of the only rural district bleed off sections to the larger populated communities and TAKE AWAY THE VOICE OF RURAL COMMUNITIES.

PLEASE IN VOTER INTEGRITY AND FAIRNESS OF REPRESENTATION MEETING COMMUNITY NEEDS LET RURAL CITIES REMAIN AS ONE DISTRICT AND THE MORE POPULATED CITIES HAVE OTHER DISTRICT.

Independent Redistricting Commission Thank You Taking Public Input - Please Honest District Map!
