I recognize what a difficult task the redistricting has been and thank you for your time and efforts. I strongly urge the commission NOT to approve any map that groups unincorporated areas together (Draft Map 2) and to approve a map that draws the maps on horizontal lines (Draft Maps 1, 3, or 4). Ideally the North County district should include Fallbrook, Oceanside, Vista, San Marcos, Carlsbad and Escondido. However if it is not possible to keep all areas in one map I would recommend including Escondido over Carlsbad in District 5. A day in the life of a North County resident will often include time in all of the cities mentioned. Grouping all unincorporated areas together would not represent true Communities of Interest. I believe it would leave the northern unincorporated areas with no real representation. Thank you.
