Good evening, I am a proud bi-racial resident of Santee. I urge the commission to reconsider the mapping for east county to include areas of common interests such as Santee, Lakeside, Poway, Ramona, El Cajon, La Mesa, Alpine and rural areas of south bay. I hear of a lot talk about Santee, which I am concerned, as residents of El Cajon travel through Santee on the 52 freeway to name one of many common interests. I also urge the commission to place a heavier weigh on non-scripted public comment.
