Independent Redistricting Commission,

Hello, my name is Darryl Albertson. I first moved to San Diego County in 1983, and have been a resident of Ramona for 3+ years.

My address is: [REDACTED]

Please reconsider the current proposed supervisor redistrict maps! Please take a pause to study this further, if needed!

The communities of East County should be kept together due to numerous common interests and needs (agricultural communities, more affordable areas to live, road needs, etc.). If the East County communities are split up as in the proposed redistricting map, the East County will essentially have no political representations, because the needs of the coastal "host cities" will inevitably take priority.

Thank you for your consideration, Darryl Albertson
