The East County region of San Diego County is a valid community of interest, sharing historically agricultural roots, as well as, common values. The rural cities and unincorporated areas in this region MUST be kept together and grouped with other similar communities. For clarification, this region includes, but is not limited to, the following communities: Alpine, Bonsall, Borrego, Campo, Portrero, Dulzura, Boulevard, Descanso, El Cajon, Julian, Santee, Lakeside, Poway, Ramona, Ranchita, Jacumba, and Santa Ysabel. You should also consider keeping the East County Kumeyaay tribes together. Thank you.
