Thank you Commissioners for taking the time to thoroughly listen to all parties of this redistricting of San Diego County. The county has changed tremendously since the last redistricting and the new maps must reflect those changes.

I live in Escondido and I support a map that will include keeping the cities of Carlsbad, Oceanside, Vista, San Marcos and Escondido together. Our communities are joined by the 78 freeway, school districts, hospital districts and water districts to name just a few.

I urge the Commission to move forward with a map that brings these cities together in one district.

Thank you
