We reside in San Marcos and are currently part of District 5, part of the inland communities. We reside here because we identify differently than coastal communities or the city of San Diego. We need to keep all of our I-15 corridor and inland north county cities together: Escondido, Fallbrook, Valley Center, Bonsall, San Marcos, Vista, and Temecula and be represented by ONE supervisor which is JIM DESMOND. We are residents since 1989 of the I-15 corridor and we have different concerns, needs and interests than the coastal communities. We share common north county institutions like sports leagues, transportation, health care entities, and community services. We also encompass the tribal lands of Rincon, Pauma, and Pala tribes. Please consider and approve Map 6 as the redistricting option for any new SD County redistricting. Thank you.
