Dear Sir/Madam

Please keep the community of Jamul within the same district as La Mesa, El Cajon, Alpine, Lakeside, Crest and Santee

These communities most closely resemble each other these are our neighbors and work places. ChulaVista, National City and San Ysidro have a completely different set of needs and voices that do not share our common needs for the unincorporated area of the East County. Please do not break up our communities that have different needs than the combination of cities and our rural Mountain community. We deserve to have a voice and representation for our communities too. Thank you
