I am a long-time resident of Alpine and East County with stakes in the community and school district. Alpine and East County are distinct Communities of Interest and should be kept intact through the redistricting process.

I strongly support the mapping on this website: sdcountyredistrictingmap.org/supervisors and the IRC's Draft Map 11. These maps keep many of the East County sister communities together such as Lakeside, Alpine, Jamul, Santee, Poway, El Cajon, and Ramona. We share infrastructure needs, overlapping local government agencies, and have common social and cultural interests. It is critical that we have one county supervisor that understands and can address our shared goals.

Please keep our East County communities together for efficient and effective government.
