Dear Re-Districting Committee.

We are residents, business owners, taxpayers and contributing citizens. While we realize that every 10 years, the county has to redraw lines for County Board of Supervisor election districts ,the draft maps they proposed are TERRIBLE by splitting traditional communities of interest and stacking things in favor of incumbent Democrat politicians desperate for another political job.

We **explicitly and specifically urge you** to support the [San Diego County Communities of Interest Redistricting Map](#). **We strongly support the maps outlined at this website: sdcountyredistrictingmap.org/supervisors.**

Thank you,

Chris & Debbie George
