>>> Dear Commission,

>>

>>> I strongly oppose the proposed maps for East County. El Cajon, Crest, Alpine, Santee, Lakeside, Jamul, Poway, Ramona, Borrego Springs, and all Imperial County should have the same state, senate assembly, and congressional districts. The proposed maps are an attempt to dilute and disrespect our voices in rural East County. We have nothing in common with the coastal and urban areas. Keep East County, East County.

>>> Thank you,
