I'm a resident of ChulaVista and I'm very concern at what's happening with this process, it has in many ways been hijacked by arranging communities in a very unequal fashion. There is also the FACT that nothing else its been consider and that is a very UNDEMOCRATIC approach. I **urge** to support the [San Diego County Communities of Interest Redistricting Map](#). And allow the process to be transparent .

***I strongly support the maps outlined at this website:
