To Whom This May Concern,

Hi, as a resident residing in San Marcos, I have become aware of the redistricting situation going forward in San Diego County, like most of my neighbors within the community we believe in having that process that makes sense and preserves, protects & promotes our natural communities of interest. My name is Juan Rivera from San Marcos and I 100% support, as well as from talking to my community here, we support the maps outlined at this website : [sdcountyredistrictingmap.org/supervisors](https://sdcountyredistrictingmap.org/supervisors).

Best Regards  
Juan Rivera
