Greetings,

I strongly oppose the planned redistricting of district 2. To include rural East County areas with Imperial Beach, National City, Chula Vista and San Ysidro makes zero sense. Those of us in East County will essentially have our votes become worthless and be unfairly represented by a supervisor whose primary concerns will be towards the urban area's constituents. How can a supervisor focused on those areas understand or care about issues like wildfires, groundwater resources, land use concerns, environmental concerns, etc? This is gerrymandering, plain and simple.

Sincerely,
Scott Spurgeon
