Hi IRC Team,

Please see information below regarding a voicemail received.

Date: 11/13/21

Time: 12:55pm

Name: Armond Cordien (Vista Resident)

Contact: [REDACTED]

Message: Calling to urge the Commission to support the San Diego County Communities Redistricting maps. Maps can be found at [www.sdcountyredistrictingmap.org/supervisors](http://www.sdcountyredistrictingmap.org/supervisors). We need to keep the tri-cities together. We share school districts, fire protection, water lines, sewer, storm water. To split into three separate districts makes no sense from a geographic standpoint or from the common bounds that are shared here in North County. I strongly urge the commission to go back and keep Oceanside, Carlsbad, and Vista together. **No request for a call back.**
