Dear Commission Members,

As a resident of unincorporated Ramona, it is imperative to me that the Commission strongly consider keeping all of Ramona in one supervisorial District. As a community, Ramona undertakes great efforts in discussing local issues and addressing those issues with a single Supervisor. Should Ramona be split into multiple Districts, doing so would undermine not just the unity within the community, but also potentially damage the community's ability to move forward as a collective body in working with elected leaders to foster economic growth. I strongly urge the Commission to allow all of Ramona to remain within a single District. Thanks you.
