The proposed new District maps make no sense.

You are placing inland areas with coastal areas which have nothing in common and do not have the same types of living situations. For instance, South Bay (Chula Vista, National City, San Ysidro, Otay Mesa) and the Back Country (Alpine, Descanso, Boulevard, Camp, Dulzura, Jamul Protrero) are very different, urban versus rural and have completely different needs in their communities. I'm sure South Bay does not have to have CA Fair Plan for fire insurance and a gap policy for homeowners like the Back Country does.

You need to rethink this map and apply the same needs/wants for communities that are similar.

I completely OPPOSE this redistricting map as it stands now.
