The LGBTQ community should be united in a single district to the extend possible. Neighborhoods with the highest concentration of LGBTQ voters include those that are near Balboa Park, i.e., Hillcrest, North Park, South Park, University Heights and Mission Hills. These all need to be included in the same district. Other communities with a high concentration of LGBTQ voters include Normal Heights, Kensington/Talmadge, Azalea Park (in City Heights), Golden Hill and the College Area.
