I'm Joan Chen, President and Chair of San Diego Asian Americans For Equality Foundation. I am supporting a map that empowers our Asian American neighbors across San Diego County, The San Diego County Communities of Interest Map.

You can view the San Diego County Communities of Interest Map here:

<https://www.sdcountyredistrictingmap.org/supervisors>

In this San Diego Communities of Interest Map, the Asian American voting age population for District 3 is higher than each of the proposed maps at 25%. I urge the commission to seriously and thoughtfully consider this map. It unites communities of interest across San Diego County and maximizes the voice of Asian Americans.
