North County, is our regional identity. We identify differently than coastal communities or the city of San Diego. We need to keep all of our I-15 corridor and inland north counties together. Escondido, Fallbrook, Valley Center, Bonsall, San Marcos, and Vista, should be represented by one supervisor. We are the I-15 corridor and we have different concerns, needs, interests than coastal communities. We share common north county institutions like sports leagues, transportation, health care entities, and community services. We encompass tribal lands of Rincon, Pauma, and Pala tribes. Redistricting should continue as it is.
