I have reviewed the eight draft maps online and think that Draft Map No. 6 is the best, except I would move the City of Santee into District 3 with the other East County cities (e.g. El Cajon, La Mesa, Lemon Grove). To make up for this population gain I would put the communities West of the 805 or I-15 into the coastal district. I also like that Map 6 has all of the SR 78 cities in one district and because it only has two districts with rural far east county areas, I think it would more likely that the two rural (mostly unincorporated) communities would have a voice, albeit a minority, in the County.
