I believe that Fallbrook, Bonsall, and Rainbow need to stay in District 5 along with Oceanside, Vista, San Marcos and District 5 needs to include Escondido. I am a resident of Escondido for over thirty years and Escondido's interests are shared with the aforementioned communities. I urge you to select a map that embodies the concerns of local communities as we are the ones who will have to live with the outcome of your decisions for the next 10 years. Thank you for your concern.
