I have lived at [REDACTED] Lakeside, for over 37 years and have absolutely ZERO Idea why NOW, you want to change the District. One of the biggest reasons we bought here, was THE COUNTY and the RURAL NATURE of the area.

Part of the 2020 Plan was indeed TO KEEP THE AREA RURAL. How does adding other parts of the county or indeed DIVIDING this area up, maintain its RURAL NATURE!

It's bad enough the time has forced so much extra traffic into the area, but dividing us, in no way, makes sense.

We have fought developers for 35 years and will fight this.
