eComment :

I have lived in East County (City of El Cajon) for 25 years. The east county communities share much more in common than with the City of San Diego, Chula Vista and National City. I oppose your maps they split traditional communities of interest, it doesn't work!! I strongly support the San Diego Communities of Interest Redistricting Map. The maps outlined at this website:
www.sdcountyredistrictingmap.org/supervisors.
