Ramona is a community defined by its unique geographical setting, shared water and environmental resources, school district, and access routes into and out of town. Ramona includes residents on both sides of Main Street (SR-67/78) and the San Diego Country Estates. This area is served by a single middle and high school, resulting in a tight-knit community. Please keep Ramona within a single supervisor district to better serve our common interests. Splitting Ramona into two parts would significantly disadvantage the community as a whole, also creating unnecessary division amongst neighbors. I appreciate your consideration.
