My name is Thomas Perfect and I have lived in Ramona for my entire life. I currently serve on a few different nonprofit boards supporting our town and feel strongly about the local level of government in our daily lives. As we localize the power of our communities we will be able to create more prosperous and enjoyable areas to live and thrive. I would strongly urge the redistricting efforts to be sure they are putting like communities together. Our East County areas include El Cajon, Alpine, Jamul, Lakeside, Santee, Poway, and Ramona. These East County communities should be in the same Congressional, State Senate, and Assembly Districts. These communities work together already to support causes and service the people.
