Please keep the community of Ramona intact and included with other like-kind rural communities within the same San Diego County District. Other nearby communities like Poway, Lakeside, Santee, Alpine and Julian share similar lifestyles and needs. These East County communities should be in the same Congressional, State Senate, and Assembly Districts. I have lived in Ramona for 18 years. Ramona absolutely shouldn't be divided between two districts. Splitting the community will unduly burden the local resources with the impossible task of addressing two districts' officials about the same issues. It will be very detrimental to the the interests of our town. Many of our communities are unique and diverse and should be celebrated not divided.

Please keep our tight-knit community of Ramona together to optimize our quality of life and keep our emergency, fire resources and representation intact. Thank you for your consideration.
