I am stating my view of Alpine should be kept with Lakeside and Santee. We have common needs and interest and our cities are close to each other.

We have a greater advantage being together to support each other, common goals and already have community and a great way of sharing needs and concerns to each other as neighbors. We relate to each other in being rural with fire concerns and great communication with each other. I am against us being grouped together with cities that we don't have as neighboring borders and community already set up. During the pandemic we need support and stability. No for redistricting Alpine. We are community with Lakeside and Santee.
