eComment :

As a Ramona, CA resident I strongly oppose the proposed new placement of Ramona in your redistricting maps. Ramona is a rural and agricultural community that should not be placed in districts that do not have the same values or interests of a rural/unincorporated community. Ramona is best served by remaining one, undivided community. Please do not silence or dilute our perspectives by burdening our community with a divide. It is your duty to keep our successful community together and undivided.
